Sprint - 8: Results

Authentication Code Popup

While registering in the Easify, users have to authenticate themselves by Email verification.

Forgot Password Page

Now users can get there account back using forgot password functionality.

Sprint - 8: Results Continue

The screenshot shows the 'Profile Page' in the Easify application. The top navigation bar is dark red with the 'Easify' logo on the left and 'My Projects', 'Shared Projects', and a user profile icon labeled 'Varun' on the right. The main content area has a light gray background. On the left, there is a circular profile picture placeholder with a red checkmark. To its right, there are input fields for 'Name' (containing 'Varun') and 'Email' (containing 'varun@test.com'), followed by a red 'Save Profile' button. Below these fields, there is a 'New Password' section with two input fields for 'Enter your new password here' and 'Enter your confirm password here', a 'show password' checkbox, and a 'Send Authentication Code' button.

Profile Page

User can edit their name and profile photo. Also they can change their password.

The screenshot shows the 'Project Setting Page' in the Easify application. The top navigation bar is dark red with the 'Easify' logo on the left and 'My Projects', 'Shared Projects', and a user profile icon labeled 'Varun' on the right. The main content area has a light gray background. On the left, there is a vertical sidebar with a dark red background and white text links: 'Product Backlog', 'Sprint', 'Attachment', 'Calendar', 'Activity Map', 'Chat', and 'Settings' (which is highlighted in pink). The main content area features a project card for 'Easify' with a colorful gear icon. The card has input fields for 'Title' (containing 'Easify') and 'Project Unique Key' (containing 'Eas'), followed by 'Save Profile' and 'Delete Project' buttons. Below the card, there is a 'Select...' dropdown menu, a 'Share' button, and a list of project members showing 'Varun' with the email 'varun@test.com' and a 'Project Member' dropdown menu.

Project Setting Page

Users can edit the unique key and profile photo of the project. User can share-unshare or delete the project.
